Chamber Commerce Votes To Increase Annual Dues

A special meeting of the Hancock County Chamber of Commerce was held Monday night at City Hall with Powell Glass Jr., president, presiding.

Following a discussion on the necessity for raising membership dues a motion was carried recommending that dues be raised to \$25 per year, payable January 1. It was also voted that new members who join the Chamber after July 1, pay \$15 for the six-month period.

A committee will be named at a later date by the president to study and advise ways for the Chamber to help promote better community relations and acquire more residents for Hancock County from MTO and Michoud operations.

It was also voted to request the Board of Supervisors to contact the Maritime Conservation Commission, asking that they not allow menhaden fishing within a two-mile shore limit in the county.

The board recommended that a letter be written to Senators John Stennis and James Eastland and Congressman William Colmer urging them to consider having the Bay St. Louis post office enlarged.

Mrs. Caroline Kiefer, chamber secretary, was named to represent the C of C at the Mississippi Association of C of C executives in Pascagoula August 20-22.

The next regular bi-monthly board and general membership meeting is scheduled for 7:30 p. m. August 17.

PRIMA LUKE TO REIGN AS MISS POPPY

Prima Luke was selected to reign as Miss Poppy for the coming year when the Junior Group of the American Legion Auxiliary met Thursday at the Legion home.

Terry Benigno was named queen of the annual poppy coronation ball. Her maids include: Charlotte Piazza, Jan Rutherford, Agnes Wilkerson, Lauren Turcotte, and Nikki Romanoff. Valerie and Virginia Ferguson will serve as train bearers and Julio Piazza crown bearer.

Following the meeting past Auxiliary president, Mrs. Gordon Romanoff, installed the following new officers:

Terry Benigno, president; Nikki Romanoff, vice president; Sue Ann Buehler, secretary; Jennie Rutherford, treasurer; Charlotte Piazza, historian; Caroline Peterson, chaplain; Jan Rutherford, sergeant-at-arms; Andrea Ring and Lauren Turcotte, flag bearers.

Refreshments were served by Mesdames Leroy Luke, Clyde Craig and Romanoff.

AUTO HITS HORSE DRIVER INJURED

State Ptn. James Davis and Donald Pope reported a horse, struck by a truck early Sunday morning on state highway 603 in Hancock County, wandered back onto the highway an hour later and was struck by a car, injuring the driver.

The first incident occurred at 12:25 a. m. when the horse was struck by a truck operated by Howard L. Ladner Jr., of Poplarville. Damage to Ladner's truck was estimated at \$50.

According to the investigating officers, the same horse, wandered back onto the highway at 1:30 a. m. and was struck by a station wagon driven by Kenneth E. Kothmann, Bay St. Louis, who suffered cuts and bruises of the face and arms.

DRAFT BOARD OFFICE OPEN TWO-DAY A WEEK TEMPORARILY

Local Selective Service Board announced this week that due to the illness of Mrs. Agnes Zimmerman, clerk, Hancock County Selective Board, the office at 210 Main Street will be open from 9 a. m. to 5 p. m. on Tuesdays and Thursdays only until further notice.

Miss Cleo Cochran, at the State Selective Service Office, will be here on those days.

OLG REGISTRATION FOR NEW STUDENTS JULY 30-31

Registration for all new students who plan to attend Our Lady of the Gulf School in September, will be held from 9 a. m. to noon, July 30 and 31 at the school.

This will be for kindergarten and grades one through six.

Children entering kindergarten must be six by January 1, 1965, and children entering kindergarten must be five by January 1, 1965.

Registration fee is \$5 per family. Tuition for those living in Our Lady of the Gulf parish is \$6 per month for one child and \$10 per month for entire family, exclusive of kindergarten, the tuition for which is \$10 per month per child.

Parents are asked to bring children's birth and baptismal records as well as records of immunization.

Book sale will be held September 2 and 3. There will be more details on this at a later date.

MILITARY PAY HIKE APPROVED

WASHINGTON - The House Armed Services Committee unanimously approved a bill this week providing \$207 million in pay raises for all members of the armed services except enlisted men with less than two years of service. It would be the second military pay raise in a year.

The exclusion of new enlisted men from the raise stirred the only controversy in the committee. Rep. Richard S. Schweiker, R-Pa., and others demanded that these men be included.

Schweiker, who said these men were living in poverty, proposed an amendment to give them a pay boost, too, but the committee killed it on a 21-9 vote.

The committee's unanimous action in approving the whole bill virtually guaranteed most service men a pay raise by Sept. 1.

The bill is identical to one passed recently by the Senate, and Rep. Carl Vinson, D-Ga., chairman of the House Armed Services Committee, plans to bring it up on the floor next week.

The pay raise would reach servicemen on the first day of this month after the bill this month. President Johnson signs the bill. So, if President Johnson signs the bill in August, the fatter pay checks start coming Sept. 1.

This also would mean that most servicemen would receive their second pay increase in less than a year. Congress passed a \$1.2 billion pay raise last year. It began Oct. 1.

AUGUST 15 SET FOR QUEEN CONTEST AND BARBECUE

A date for the Hancock County Fair Bureau's queen contest and barbecue was set for August 15 when the group met Tuesday night at North Central School, with L. J. Breaux, president, presiding.

Seniors in High School and girls up to 25 years of age, unmarried, whose parents are members of the Hancock County Fair Bureau, are eligible to enter the contest for queen.

Anyone interested in entering should contact Mr. Breaux or the county agent's office.

ARC JR. LIFE SAVING CLASSES BEGIN AUG. 1

American Red Cross Junior life saving classes for those who registered in April will begin August 1 from 6:30 to 8:30 a. m. at the South Bay Swim Club, 100 St. Charles Street.

HOSPITAL AUXILIARY BOARD TO MEET AUGUST 6

Hancock General Hospital Auxiliary board will meet at 9:30 a. m. Thursday, August 6, followed by the regular meeting at 10 o'clock at the home of Mrs. Leo Seal on North Beach Blvd.

Police Reports

Police Chief Lathan Garriga reported property damage, but no personal injuries in a two-car collision at 10:30 p. m. Saturday.

Drivers of the cars involved were identified by Chief Garriga as Leida Carver, Bay St. Louis, and Roy Cuevas, Kiln.

The 1964 Chevrolet was a total loss and damage to Cuevas' 1955 Pontiac was approximately \$350, Garriga added.

The drivers will have a hearing in Mayor John Scafide's court August 6.

Officer Robert Goodsell assisted in the investigation.

DR. HORNE IS NAMED BY LOYOLA

Dr. Mark Daniel Horne has been named chairman of Loyola University's Department of Journalism succeeding Edwin F. Fricke, chairman since 1958.

Fricke will devote his full time to teaching.

A member of the faculty since 1938, Dr. Horne, during his student days at Loyola, was editor of the Maroon and, in World War II, was assigned to communications work in the Navy, serving from 1942 to 1952 and attaining rank of lieutenant commander.

A native of Montreal, Canada, Dr. Horne received his A. B. in philosophy from Loyola and his M. A. and Ph. D. in English literature from Louisiana State University in Baton Rouge.

He has also done graduate work in journalism. He is professor of English at Loyola and will continue to teach in that department.

Dr. Horne resides with his family at 123 Sycamore Street, here in Bay St. Louis.

TELEPHONE NUMBER FOR TIME OF DAY SERVICE CHANGED

The number for telephone time-of-day service, provided by Hancock Bank for Bay St. Louis and Hancock County, has been changed from 487-4081 to 487-9051 effective immediately.

Changes in telephone numbering throughout the Bay St. Louis area were announced by telephone company officials in order to increase telephone service by making additional numbers available for new subscribers in Hancock County.

Leo W. Seal Jr., president of Hancock Bank, said the number change will not affect time-of-day service which will provide greater latitude for adding lines as calls to the time service increase.

Telephone time-of-day service was inaugurated in Bay St. Louis last year as a community service by Hancock Bank.

HENRY'S CHURCH THIS WEEK

Henry's Church will have a church fair this week. The church fair will be held at St. Henry's Church, North Beach Blvd., Thursday and Sunday.

MICHAEL HAAS IN 1965 EDITION OYM OF AMERICA

HATTIESBURG - Six graduates of the University of Southern Mississippi have been selected for inclusion in the 1965 edition of Outstanding Young Men of America.

Receiving this distinct honor are the following USM alumni:

Ralph C. McDaniel, affiliated with Underwood Homes of Jackson; Mike Haas, Bay St. Louis attorney; Doug Mims, with the Tupelo office of the Federal Department Insurance Corporation; and three practicing physicians: Dr. James C. Waites, Laurel; Dr. Brantley Pace, Monticello; and Dr. W. R. Eure, Bay Springs.

Outstanding Young Men of America is an annual biographical compilation of approximately 10,000 young men of outstanding rank throughout the country. They are between the age of 21 and 36 and have distinguished themselves in one or more fields of endeavor to the point of being "outstanding."

Nominations for the book are submitted through many sources, however, the majority of nominations are made by Junior Chamber of Commerce chapters and college alumni associations. Selections are made by a 35-man national board of editors.

Winners of state awards will be featured throughout the book. President Lyndon B. Johnson will write the foreword for the 200 edition. Publication date is approximately January 19, 1965.

LETTERS

TO THE EDITOR

Bay St. Louis, Mississippi,
July 27, 1964.
Editor Hancock County Eagle
Clay.

Dear Sir:
Please allow us to publish this letter as a plea for community support of our annual entertainment to be held at Trapani's Knock-Knock on August 3, 1964 at 8 o'clock p. m.

Tickets for this affair will be on sale at several prominent places throughout the community prior to the date of the benefit. Donations are \$1.00 per person. Ten free games will be awarded to each person making the donation.

The Retarded Children's School has been in operation for the past three years. It was begun by a group of civic-minded people who realized the need for such a school. Training for the retarded child at the community level in the State of Mississippi is very limited. Public funds and public facilities are just not available to care for the needs of these children who account for 3 percent of our total population.

And so we take this means to ask the general public to please support our drive for operating funds. The retarded child has been referred to as the forgotten child. He can be remembered with a contribution to this most worthy benefit. Tickets will also be on sale at Trapani's Knock-Knock from now until game time.

Yours very truly
WARREN CARVER,
President

Latest reports from Leavelle, La., are that red fish and specks are being caught. From now on fishing should be good in this section. About 90 miles west of New Orleans through Bayou Lafourche, the Gulf of Mexico, Leavelle furnishes some real fishing. A two-day trip, not too expensive will give you all the salt water fishing you are looking for. Fresh water fishing is also good at all times, but you have to learn where to go.

Someone asked the other day about that 25-lb. drum fish Mrs. Bourgeois caught. Are they good eating in our book, no. But small crabs, like small sheep head, are good to eat. When too large, they are tough and, at times have worms in them. It is still a thrill to catch a big one.

Better count this season as a bad one for soft crabs and floundering. Very few soft crabs have been caught although floundering has been a little better. Floundering goes on until October and maybe it will get better later. For you who worry about breeding crabs, remember they will not breed unless you step on them. Stay in shallow water where you can see them. Touch them with your spear and they will vamoose.

Was sorry to read of the death of Earl P. Kirkpatrick. Earl, besides being a real fellow was an ardent hunter and fisherman. Enjoyed many a dove hunt with him. Sympathy to the family.

Adults use the Boy Scout slogan "Be Prepared" also John Dambarino and Millard Toulme used it and are prepared to attend the Green Bay Packers and St. Louis Cardinals football game in New Orleans on August 8th. They secured their tickets in advance.

Morris Daniels, Jr. recently purchased a 14-foot aluminum boat and with his brother-in-law Nino Entrante expect to enjoy plenty of fly fishing in the future. Both are good sports and get their share of fish.

Tony Entrante goes mostly after specks and red fish. His 16-foot speed hull and 50 HP motor furnishes all the necessary equipment to get them.

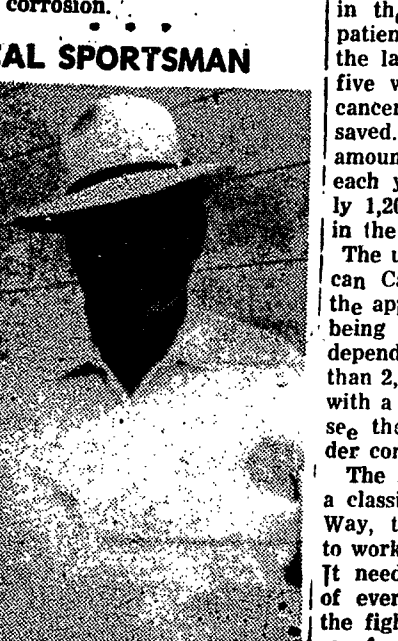

There are several species of shrimp: River shrimp of small size for catching fresh water fish, still fishing, and larger ones for catching large fish, speckles, red fish, etc. The shrimping season which is now open is in full blast. Shrimp besides being used for bait, make a delicious salad, shrimp gumbo and are now moving into shore and can be caught with casting nets and seines in shallow water off shore. Along the seaway from Cedar Point to Bayou Caddy are excellent places to get them. They can be used for fishing both alive and dead. Fish always go for them.

Hard crabs are being caught most anywhere. As for eating, they can't be beat. Boiled, stuffed or in salad they satisfy any appetite. Beer goes good with them.

It's a good idea to turn your out-board motor over every now and then whether you use it or not. Keeps it ready to go and saves corrosion.

What They Wore

AT THE TURN OF THE CENTURY IN 1900 THE EMPIRE DRESS OF WOMEN'S FASHIONS, THE CLASSICAL GREEK INFLUENCE WAS APPARENT IN THIS SEMI-TRANSPARENT CHITON DRAPED HIGH UNDER THE BUST AND WORKED OVER A SHEER SLIP.

VARIATIONS ON THIS CLASSIC STYLE INCLUDED "HAMELUNE" SLEEVES—SLEEVES DIVIDED INTO PUFFS BY RIBBONS.

FROM ENGLAND CAME "BETSIES"—SMALL NECK RUFFS, WHEN INTRODUCED IN PARIS THEY WERE CALLED "CHERUSSES".

TODAY WHEN BUYING WOMEN'S AND CHILDREN'S APPAREL LOOK FOR THIS LABEL... THE SYMBOL OF DECENTY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

CORSETS WERE SIMPLER AND MUCH LESS CONSTRUCTIVE THAN THEY HAD BEEN IN THE 1900'S.

LIST CANCER'S SEVEN DANGER SIGNALS TO WATCH

Cancer, the most treacherous and insidious disease of all times which will strike in approximately two out of three American families, is our nation's No. 2 killer and should be the No. 2 concern of every good citizen in America.

It is a shocking fact that this year approximately 280,000 Americans will die of cancer, or one every two minutes.

The staggering toll of human lives taken by cancer is bad enough. But among the yearly casualties are some 90,000 persons who die of cancer needlessly. These are people who could have been saved if their cancers had been detected and treated in time.

The goal of the American Cancer Society's public education program is to save lives by alerting Americans everywhere to these two vital facts:

1. The annual health checkup by a physician is the best insurance against needless cancer deaths.
2. Prompt action on a cancer danger signal can often detect cancer in time for cure.

Cancer's seven danger signals are: (1) Unusual bleeding or discharge (2) A lump or thickening in the breast or elsewhere (3) A sore that does not heal (4) Change in bowel or bladder habits (5) Hoarseness or cough (6) Indigestion or difficulty in swallowing (7) Change in a wart or mole.

The National Office and Divisions of the American Cancer Society have to date devoted more than \$127 million to cancer research since the support program began in 1945.

Evidence of the tremendous progress in the control of cancer in which the American Cancer Society participates is the fact that in the early 1900's few cancer patients had any hope of cure. In the late 1930's fewer than one in five was being saved. Today, one cancer patient in three is being saved. The gain in lives saved amounts to some 48,000 patients each year. There are approximately 1,200,000 cured cancer patients in the United States today.

The urgent mission of the American Cancer Society is to reduce the appalling number of lives still being lost to cancer. It is an independent drive made up of more than 2,000,000 dedicated volunteers, with a driving sense of urgency to see the killer cancer brought under control as quickly as possible.

The American Cancer Society is a classic example of the American Way, the freedom of individuals to work for the cause they choose. It needs and solicits the support of every concerned individual in the fight to stop deaths from cancer forever.

HEAVY RAINFALL INCREASES PRODUCTION OF MOSQUITOES

Heavy rainfall the past two days has again caused the flooding of many salt-marsh mosquito producing areas, according to Director Chris Elmore of the Gulf Coast Mosquito Control Commission. Reports phoned in by the commission's volunteer rain gauge operators show a total rainfall of two inches or more in most areas from Pascagoula to Bay St. Louis. Assistant Director Wayne Harris supervising the plane treatment of 125 acres of heavy mosquito breeding in the vicinity of Biloxi and Ocean Springs where the application of 2000 pounds of pellets is scheduled. Inspection of other likely breeding areas in Hancock and Jackson counties will be made this week to determine if additional areas require treatment.

but information to fishermen going out from Jim's camp both fresh and salt-water fish can be caught in Mulatto Bayou and a short distance away to Pearl River. Bait and skills are always available.

DAIRY NOTES

Want to dairy profitably? Most anyone does. These suggestions may help you:

Follow a breeding program. For most dairymen the artificial breeding program offers the best opportunity. Last year of the 22 dairymen in Mississippi receiving the "Master Dairyman" award, 19 were breeding artificially.

Plan for adequate pasture and stored feed supplies for the entire year. Balance your cow numbers with the available feed supply. For efficient feeding many numbers or produce more feed. Make dairying a business by feeding the herd on an acceptable herd testing program, either DHIA or Weigh-A-Day-A-Month. One of these programs will fit any size herd. The cost is reasonable. Local County Agents have detailed information on both.

Practice good herdsmanship, or good herd management. Many dairymen have, from \$10,000 to \$50,000 invested in cattle, alone. Such investments should be well taken care of.

HOG PRODUCTION

Mississippi farmers could certainly use an extra \$17 million. But this is approximately the amount that Mississippi meat packers spend for market hogs bought out of state.

Of the around 815,000 hogs slaughtered within Mississippi each year, roughly 60 percent are purchased out of state. With stepped up production of market hogs and a corresponding increase in production of feed grains, Mississippi producers stand to increase their income by around \$17 million.

The packing plants are expanding. Because of industrial progress in the state, consumption of red meat is expected to increase. Pork should share in the increase.

Basically pork production is based on home grown grain. Farmers cannot expect to expand pork production and at the same time, follow the present trend of reducing corn acreage.

Any farmer who can produce 60 bushels of corn to the acre can figure on cows and hogs as a reliable source of additional farm income.

EGG QUALITY

Protect the quality the hen puts in the egg. Here are a few suggestions for doing so:

Collect eggs from laying house three, four or more times a day. Wash eggs as soon after gathering as possible at 110 degrees to 120 degrees, using a good detergent sanitizer.

Change the wash water after five or six baskets of eggs. Dry eggs as fast as possible for fast cooling. Oil the eggs. Pack eggs in clean, pre-cooled cartoning material.

Store eggs at a temperature of 45 to 55 degrees and a relative humidity of 70 to 80 percent. Allow for air circulation in the egg room. Deliver eggs to retailers daily.

BEEF CATTLE MANAGEMENT

If you are not satisfied with your cattle program, better check up on yourself. Three areas to consider for improvement could

MISSISSIPPI HAS LOWEST CRIME RATE IN NATION

(BY SENATOR JOHN STENNIS)

WASHINGTON - While the racial agitators and the liberal Eastern press attempt to cast a blanket indictment on Mississippi as an area of lawlessness, the FBI reports that Mississippi has the lowest crime rate in the nation.

The cold hard facts of the FBI Report of crime in the United States during 1963 absolutely repudiate the misleading and erroneous picture of Mississippi painted by some of the Nation's newspaper editors and radio and television networks.

The FBI Report shows that the nationwide crime rate for 1961 was 1052.8 offenses per 100,000 inhabitants, and by 1962, the nationwide rate had increased 6 percent to 1102.3 offenses per 100,000 persons, and finally by 1963, the crime rate, nationwide, rose another 10 percent increase to 1198.3 offenses per 100,000 persons.

be breeding, feeding and management. If any of these are weak, the whole program suffers.

For improving your breeding program, consider using performance tested bulls, you might try cow herd testing on your farm.

Here is a check list to consider in your feeding and management program. Check your pasture, your winter feed, your disease and parasite control program. What about dehorning and castrating? Set up calving on a seasonal basis and stop year-round calving.

Consider creep feeding calves. Do a stronger marketing job. Build and maintain good cattle working facilities.

Remember a cow that does not bring a calf each year has no place in your herd. Consider pregnancy testing cows before carrying them through the winter.

sons.

At the same time, Mississippi's crime rate for these three years were: 1961 - 460.9 offenses per 100,000 persons; 1962 - 446.4 or a decrease of 3.1 percent, and by 1963, the Mississippi rate fell to 393.2 offenses or a decrease of 10.2 percent.

When I brought these facts to the attention of the Senate this week, many Senators from the North and the Midwest came to me and shared their pride with me that Mississippi enjoys this fine and enviable record of low crime rate.

The reign of terror which has been going on in the City of New York, in Harlem and in Brooklyn shows that there are problems everywhere.

It is high time for the correction of the false propaganda and misconceptions which have gone out over the country, spread by Northern newspapers and radio and television commentators, that Mississippi is a lawless State.

The FBI Report gives us the hard and true facts, and the fair-minded people of the Nation share Mississippi's pride in this good record. Mississippi has the lowest crime rate in the Nation. Those who criticize Mississippi cannot get around that fact.

OUR NEW LAND

THE CHURCH FOR ALL...
ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the church. They are: (1) For his own sake. (2) For his child's sake. (3) For the sake of his community and nation. (4) For the sake of the church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Forty-three acres! How long we labored, hoping someday to add it to our modest farm.

Good bottom land... with a grove for the children to play in, a stream with an ol' swimmin' hole, and rich soil just begging for the plow.

Now it's ours! A great moment... full of promise... fraught with challenge.

Sort of like that moment a few years ago when Peg and I became members of the congregation. Before that the church had been simply a

familiar scene along the border of our lives. Suddenly it became our church.

And there was that deep sense of partnership with God... full of promise... fraught with challenge.

There is such an abundant harvest of blessing and happiness to be reaped in life... if a man yearns for the best, and claims it for his own, and is ready to put his hand to the plow.

Bradford-Ladner

Miss Carol Diane Ladner, daughter of Mr. and Mrs. Hester Ladner of Bay St. Louis, and Mr. Ivan Bradford, son of Capt. and Mrs. Ivan Bradford, also of this city, were married in Our Lady of the Gulf Catholic Church at 3 p. m. Saturday, July 24, with the Rev. Michael Kelly officiating.

The bride wore a blue suit with matching accessories, white hat and a shoulder bouquet of pink sweetheart roses.

Her attendant Miss Janice Bourne, wore a light green sheath, white accessories and a corsage of pink gladioli.

Millard F. Bradford served as his brother's best man.

A reception followed the ceremony at the home of the groom's parents.

The cake table, covered with a pink cut-work cloth over pale pink, was centered with a three-tiered wedding cake topped with the traditional bride and groom, flanked by crystal rosepoint and candelabra holding white tapers. Sprays of ivy and carnations completed the decorations.

Mrs. Milton Bradford, aunt of the groom, served the cake and Mesdames Curtis Mathews, Guy Helzmann and Joe Chaisie presided at the punch table, which held an arrangement of pink gladioli in a crystal bowl.

The girls were Misses Carroll and Peggy Bradford and Sandra Rupp of Plaquemine, La., and Miss Marie Bailey of New Orleans.

The hosts were assisted in receiving their guests by the bride's mother and the groom's grandmother Mrs. Ida Bradford of Plaquemine.

Spending the weekend with Mr. and Mrs. Stephen Zengering of Ansley were Mr. and Mrs. Richard Remmers and family of Arabi, La.

Deepest sympathy is extended this week to the family of Mr. John Parker of Lakeshore who passed away this week.

Mr. and Mrs. Clarence Stringer of New Orleans are spending their summer vacation in their home in Ansley.

Oren Lusch, son of Mr. and Mrs. George Lusch of Lakeshore, is home on leave from the Navy.

Blatant happy birthday wishes are extended this week to Caroline Peterson who celebrated her 17th birthday July 25. She is a granddaughter of Mrs. George Powers of Lakeshore.

Fred C. Johnston celebrated his birthday Sunday, July 26.

Also home on leave is Sonny Shiyov, son of Mr. and Mrs. Manuel Shiyov, who has been stationed at Fort Polk, La., with the National Guard.

Jerry Parr of New Orleans is spending a few days visiting with his grandparents, Mr. and Mrs. George Parr of Lakeshore.

Miss Bay St. Louis, Betty Smith, daughter of Mr. and Mrs. Arthur Smith of Clermont Harbor and a contestant in the Miss Mississippi Pageant this past week reported to have thoroughly enjoyed her trip to Vicksburg.

Mrs. Fred C. Johnston of Lakeshore, wishes to invite everyone to attend a prayer meeting in her home every Saturday night at 7:30 just across the road from Gulfview School, Rev. R. C. Jackson, pastor of the First Pentecostal Church of Gulfport, Miss., will lead the prayer meeting.

DON'T FORGET!!! Everyone is invited to attend the FREE shrimp and crab boil at the Clermont-Lakeshore Youth Center Friday, July 31, beginning at 8 p. m. til.

Mr. and Mrs. Royce Williams spent Monday and Tuesday in New Orleans.
